Principal Reports

Lineville: Great start to the school year! Loving the new set of Lego Robotics (full classroom of Design Adventure plus cart check out option). September 21 kicks off the fall fundraiser, there will be an opt out donation option, and kids are excited for the prize selection. Currently fundraising to add to district funds to create flex seating/breakout spaces (working on a showcase classroom), and to bolster classroom libraries, which are in desperate need. MAP testing is September 19 and 20. 5th grade houses have their upcoming 1000 Islands field trips beginning September 18. Picture retake day is October 11. Cross Country had a HUGE turn out this year, there is interest in possibly securing a team tent like upper schools have, will consult coaches.

Bay View: Also a great start to the school year! Fall sports are in full swing, BVMS is home to 6 football teams, 6 volleyball teams, 3 soccer teams, and a large cross country team! Show choir has a big fundraiser going and Bay View Buzz (student news show) is going strong. Big fundraising efforts are centered around creative furniture. The plan is to create unique learning experiences and build classrooms around that. The auditorium is fully finished! All school assembly is September 24 with Green Bay Optimist funded light show "It's My Life", with both 7th and 8th grade versions.

Committee Reports

Scholastic: BVMS: Great showing at open house! No final numbers yet.

LIS: Scheduling for 3 fairs this year, including BOGO. Conference fair will run November 5-9, get volunteer sign up set up soon.

Box Tops: Look into adding a reminder in Schoology and sending out collection sheets again.

Hospitality: Parent/Teacher conference meals and Teacher Appreciation: Maggie (with a partner) will cover everything at Lineville and continue on Bay View. Consider Sign Up Genius for big donations. LIS lost their parent volunteer coordinator 2 years ago, but HSSD VIP has a new one who will be introduced at the next meeting.

Existing Business

Bay View Yearbook: Did not work well as a student run yearbook! There is a parent willing to Volunteer if the kids are NOT involved. The debate to go to a digital Yearbook continues... both schools yearbook clubs have near 150 Students, but only a handful who actually help.

Teacher Luncheon: Request for \$200 for August Luncheon, from Hospitality fund, approved.

New Business

Fall Fundraiser: Runs September 21- October 5, accepting late orders until October 12. To boost online sales, add link to the Facebook pages. This has been a successful fundraiser in the past, and we are earning a higher percentage this year.

Winter/Spring Fundraisers: Look into "Dine Out" events: 10-15% back, advertise on facebook, email blasts, no paper reminders. Consider and off site event, such as Barnes & Noble, with student council, chess night, etc. Connect it all back to the classroom. Poetry reading... prepare classes ahead, student poetry, authentic audiences, try for April.

Find Your Inspiration: All 8th graders attend the Find Your Inspiration career event at the KI Center. Bus fee came in at \$1312. Community preview night is October 9.

Meeting adjourned at 7:30.

Next meeting: November 12, 2018, 6:30 P.M. at Bay View Middle School
