1.0 Schoology: A Parent's 'How To'

Lineville/Bay View Parent Club
January 19, 2014

What is Schoology?

- **Our Learning Management System (LMS)**
 - Teachers can post assignments, videos, assessments, announcements, due dates, etc
 - Students can complete and turn in assignments and assessments, watch videos, manage homework, etc.
 - Parents can access all of this to help and hold accountable
 - ALL can communicate and collaborate

Why Schoology?

Schoology allows students, teachers, and parents to manage and access learning tools and communicate with one another beyond the classroom and school walls 24/7.

What is Schoology?

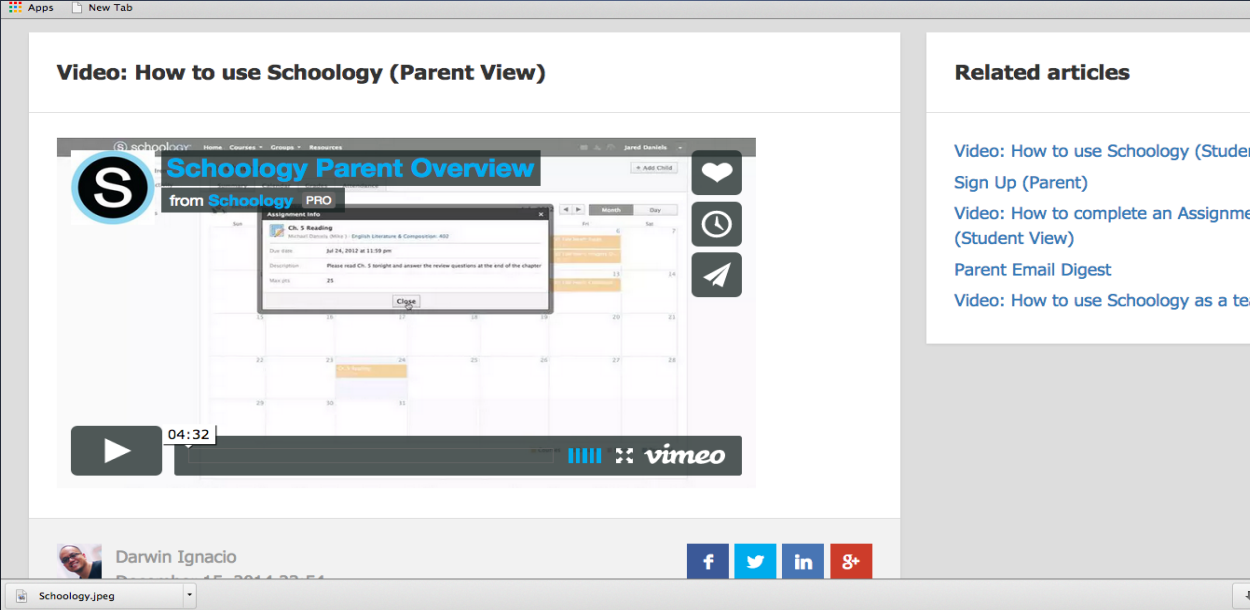

Schoology is like a...

- classroom
- website
- social media site
- chat room
- messaging tool
- planner

...All on one
